Loose Leaf Teas

Enjoy a pot of signature loose leaf tea which is sourced locally from Golden Monkey Tea Company in Warwick.

SECRET GARDEN

Strawberry slices, whole peppermint leaves, gorgeous peony blossoms and large hibiscus flowers are blended to create the perfect berry and mint infusion.

MOOR HALL BLEND - ENGLISH BREAKFAST

A robust, full-bodied tea with a dark infusion of malty spiciness and light floral undertones. When accompanied by a light dash of milk, it produces a comforting aroma eerily similar to warm toast and honey.

PEPPERMINT

This particular infusion comes from an ancient variety treasured for its intense menthol smell and taste.

SERENITY

A harmonious balance of apple and dragon fruit pieces, citrus notes and lemongrass. The infusion is dotted with rainbow flower petals and has a glorious soft pink liquor.

ASSAM

This top quality single estate Assam will surely give you that extra boost. The liquor is a deep amber with a malty aroma.

EARL GREY

Our blend is composed of tea from the top growing regions in Sri Lanka with the addition of Yunnan tea beautifully flavoured with naturally zingy bergamot oil.

PEKOE JASMINE

This sweet blend is full of blossoms, which leaves an intense, flowery jasmine taste and scent.
